Stores your artificial Christmas tree and keeps it dust free!

### JN187 - Christmas Tree Storage Bag.

*Keep your artificial Christmas tree clean and free from dust with this Christmas tree storage bag.*

Whether you have trunks, branches or a whole tree, this zip-up storage bag can accommodate it all.

It even comes with an additional zip pocket on the exterior to keep other tree items such as legs, stand or base safe and secure all year round.

Made of strong fabric and durable stitching, ensuring long-lasting protection for your tree.

When it's time to take out your Christmas tree, simply fold the bag and store it out of the way until next year.

Size: 125 cm x 30 cm x 50 cm

Upgrade your cleaning game with this Mop and Bucket Set today!

**360°  
Rotating  
Mop Head**

**Auto Spin Action  
for easy rinsing!**

### JN1041 - 360° Spin Mop & Bucket Set.

*Looking for an easy way to tackle your household cleaning tasks? Look no further than this Mop and Bucket Set!*

Made with a 100% microfiber mop head, this set is designed to provide superior cleaning power. Use the dry mop head to trap dust and grime, or switch to the wet mop head for quick and easy liquid cleanup. With a 360-degree rotatable head, you can easily clean corners and hard-to-reach areas.

The bucket is divided into two sections for washing and drying, and the stainless steel wringer is built to last with a fast spin action for quick and easy drying. Featuring details like a drain valve, retractable and lifting handles make this set a top choice for anyone looking to clean up dust, dirt, and hair with ease.

**Easy-empty  
drainage valve**
